Complaint # ID00002840

Allegation #1: The facility was not performing criminal background checks for new hires.

Findings: Based on phone conversations with the RN and Administrator, only two new staff have been hired in the last two years. One of those individuals was just recently hired and had not started work unsupervised and the other's background check was completed on 4/2/07 and a copy was provided to the bureau.

Conclusion: Unsubstantiated. Although it may have occurred, it could not be determined during the complaint investigation.

As no deficiencies were cited as a result of our investigation, no response is necessary to this report. Thank you to you and your staff for the courtesies extended to us on our visit.
